BIG PURSE IS SET FOR , THE KENTUCKY DERBY

New Orleans, La., Feb. 9.—Pit, owned by Mrs. J. Phillips won the Martin Behrman two-mile handicap at the Fair Grounds track, the largest race of the season today. The race was worth \$1,075 and more than repaid the purchase price of the horse.

The Toboggen handicap, second feature of the card brought out a field of sprinters. 'Top of the Morning was at his best in this race and finished first at the post by a head from Counter Blast. The track record set early in the season was shattered in this race by the Freakness will be feature of the Maryland Jocky

the feature of the Maryland Jockey Club's apring program. Like the Derby, it will be a race between three-year-olds and an effort will be made by the New Louisville Jockey Club to arrange such a date scheme as will perout horses entered in both races to fulful both engagements.

Because of the demands war is making on railroad transportation just now it is not likely that there will be a great deal of shipping of horses to and fro between Maryland and Kentucky this spring. But the great war will not last forever, and an agreement as to dates between the Maryland and New Louisville Jockey Clubs for the future would help both races.

As in the past, the Kentucky Derby of this year will be a gallop of one mile and a quarter for three-year-olds of both sexes. The \$15,000 will be added money. The original subscription will be \$55 and the starting fee \$56 addi-tional. The horse finishing second will receive \$2,500 and the horse finishing
